

# Coimbra Liver Transplantation Conference Coagulation, Liver Disease and Liver Transplant Facts and Controversies 9th and 10th September 2016 Coimbra, Portugal

## Friday 9th September

**09:00 - 09:30** - Opening Registration Desk

**09:30 - 09:40** - Opening Session - Welcome

Lectures (20 minutes talk plus 10 minutes for discussion)

**09:40 - 10:00** - Coagulation Disorders in Chronic Liver Disease: Pathophysiology and Management  
*Roopen Arya, King's College Hospital, London*

**10:10 - 10:30** - Haemostasis Management of the Critically Ill Cirrhotic Patient  
*Ton Lisman, University Medical Center of Groningen, Groningen*

**10:40 - 11:00** - Coagulation Disorders in Acute Liver Failure: Pathophysiology and Management  
*Dominique Debray, Hôpital Necker - Enfants Malades, Paris*

**11:10 - 11:30** - Coffee-Break

**11:30 - 11:50** - Screening for Thrombophilia Before Liver Transplant: Is it Indicated?  
*Roopen Arya, King's College Hospital, London*

**12:00 - 12:20** - Haemostasis Monitoring during Liver Transplantation:  
How to do it and How to Manage it?  
*Carlos Seco, Centro Hospitalar e Universitário de Coimbra, Coimbra*

**12:30 - 12:50** - How to Assess the Risk of Intraoperative Blood Loss During Transplant:  
Can We Predict it?  
*Christophe Chardot, Hôpital Necker - Enfants Malades, Paris*

**13:00 - 15:00** - Lunch

**15:00 - 15:20** - Vascular Complications: Can We Prevent it at 95% at Transplant Surgery?  
*Jean De Ville de Goyet, Ospedale Pediatrico Bambino Gesù, Rome*

**15:30 - 15:50** - Systemic and Local Thrombosis - Late Events After Successful Transplant  
*Ton Lisman, University Medical Center of Groningen, Groningen*

**20:00** - Conference Dinner

## Saturday 10th September

**10:00 - 10:20** - Hyper or Hypocoagulability After Transplantation  
How to Deal with the Risk of Thrombosis?  
*Christophe Chardot, Hôpital Necker - Enfants Malades, Paris*

**10:30 - 10:50** - Prevention of Early Vascular Thrombosis after Paediatric Liver Transplant  
*Jean De Ville de Goyet, Ospedale Pediatrico Bambino Gesù, Rome*

**11:00 - 11:30** - Coffee-Break

**11:30 - 11:50** - New Anticoagulant Drugs  
*Ton Lisman, University Medical Center of Groningen, Groningen*

**12:00 - 12:20** - Liver Transplantation for Genetic Coagulation Disorders or Thrombophilia:  
Indications and Outcomes  
*Ulrich Baumann, Medizinische Hannover, Hannover*

**12:30** - Closure
