14.00 **Primary Immunodeficiencies and autoimmune manifestations I**

The ESID registry  
The Portuguese experience

16.00 *COFFEE-BREAK*

16.30 **Primary Immunodeficiencies and autoimmune manifestations II**

Clinical Cases and Discussion

18.00 *CLOSE*

**21<sup>st</sup> October 2016**

9.00 **Autoimmune Diseases and Immunodeficiencies manifestations I**

What we know from the literature  
Lymphopenia In SLE

10.30 *COFFEE-BREAK*

11.00 **Autoimmune Diseases and Immunodeficiencies manifestations II**

The EPSTEIN-BARR virus driven inflammatory diseases:  
from primary immunodeficiencies to autoimmune  
The role of Hematopoietic Transplant in autoimmune patients with immunodeficiency manifestations

12.30 *LUNCH*

14.00 **Iatrogenic Immunodeficiencies I**

Is it an important problem? The UIC experience  
Classical DMARD's  
Biological Therapy

16.00 *COFFEE-BREAK*
