

RESUSCITATION 2014
The pathway to new Guidelines
15-16-17 MAY • BILBAO • SPAIN

Preliminary Programme

EUROPEAN
RESUSCITATION
COUNCIL

Pre-congress of the Spanish Resuscitation Council

Thursday May 15 09:00 - 13:20

All lectures are in Spanish only without simultaneous translation.

09.00-09.15

Acto inaugural.
Opening act.

Room 1

09.15-10.15

RCP Pediátrica en España
CPR in paediatrics in Spain.

Dr. Julio López-Bayón Bilbao

Formación en RCP pediátrica en España. ¿Qué hemos conseguido y hacia dónde vamos?
Paediatric CPR in Spain. What have we achieved and what are we heading to?
Dr. Ignacio Manrique. (Valencia)

Colaboración en la formación y la investigación en RCP pediátrica entre España y Latinoamérica.
Spanish and Latin American cooperation in paediatric CPR research.
Dr. Angel Carrillo (Madrid)

Room 1

Coffee break
10.30 - 11.00

10.30-12.00

Estado actual de la Resucitación en España.
Current condition of resuscitation in Spain

Dr. Juan Lopez Messa. Palencia

La parada cardíaca en las calles españolas ¿qué está sucediendo realmente en 2013?
Cardiac arrest in the Spanish street. What is really happening in 2013?
Dr. Fernando Rosell (Almería)

Desfibrilación precoz efectiva. La experiencia en Euskadi.
Effective early defibrillation. Experience in Euskadi.
Dr. Karlos Ibarburen (Bilbao)

Nuevos dispositivos de ayuda a la RCP. ¿Son realmente útiles?
New devices for CPR assistance. Are they really helpful?
Dr. Francesc Carmona (Barcelona)

Excelencia actualizada en el manejo integral del paciente coronario agudo.
Acute Coronary Disease; excellence in overall management.
Dr. Higinio Martín (Galdácano)

Room 1

12.15-13.20

Los Profesionales Sanitarios en los Servicios de Emergencias.
Healthcare providers in the Emergency Systems.

Dr. Juan Lopez Messa. Palencia

Ambulancias de Soporte Vital Básico: Papel del Técnico de Emergencias Sanitarias.
Basic Life Support Ambulances: role of the Emergency Medicine Technician.
Raúl Artíguez. Técnico Emergencias Sanitarias *Emergency Medicine Technician* (Miranda de Ebro)

Capacidades y competencias de la enfermería durante la RCP extrahospitalaria.
Competency and skills of nurses in out-of-hospital CPR.
Alicia Alonso. Enfermera Nurse (Galdácano)

¿Qué podemos mejorar en los Servicios 112? Dónde buscar la Calidad.
What can we improve in the 112 Services? Where should we look for quality?
Dr. Ervigio Corral (Madrid)

Room 1

The Congress of the European Resuscitation Council

starts at Thursday May 15 at 13:30

All lectures are in English only without simultaneous translation.

13.30-15.00

Towards 2015

Maaret Castrén - Jerry Nolan

Room 1

Towards 2015: New Science
Bernd W. Böttiger (Germany)

Towards 2015: New Guidelines
Koen Monsieurs (Belgium)

Towards 2015: New Courses
Robert Greif (Switzerland)

Q & A - Discussion

Coffee break
15.00 - 15.30

15.30-17.00

Guidelines 2015 : Hot topics for ALS

Claudio Sandroni -

Room 1

Prognostication
Claudio Sandroni (Italy)

Temperature control
Hans Friberg (Sweden)

Extracorporeal resuscitation
Marko Noç (Switzerland)

Q & A - Discussion

Tutorial: Evidence based resuscitation

Jerry Nolan - Corsino Rey

Room 2

GRADE: what's it all about?
Laurie Morrison (Canada)

How to do a resuscitation RCT
Gavin Perkins (UK)

Pros and cons of observational trials in resuscitation
Judith Finn (Australia)

Q & A - Discussion

HANDS ON: Mechanical CPR

Monika Grünfeld - Carsten Lott

Room 3

15.30-17.00

Dispatcher CPR <i>Katarina Bohm - Antonio Caballero</i>	Room 4
Eurocall <i>Nikolaos Nikolaou (Greece)</i>	
Dispatcher attitudes to dispatcher CPR <i>Katarina Bohm (Sweden)</i>	
How to identify and deploy an AED <i>Freddy Lippert (Denmark)</i>	
Q & A - Discussion	

Free paper session 1	Room 5
----------------------	--------

17:15 - 17:35

Late breaking science <i>Maaret Castrén - Bernd W. Böttiger</i>	Room 1
PARAMEDIC Trial <i>Gavin Perkins (UK)</i>	
Commentary: <i>Sten Rubertsson (Sweden)</i>	
Discussion	

17:35 - 18:35

Opening Ceremony <i>Maaret Castrén - Gavin Perkins</i>	Room 1
Safar lecture: CPR in Schools <i>Andy Lockey (UK)</i>	

Opening Reception at the exhibition area

09.00-10.30

Guidelines 2015: Hot topics CPR/AED <i>Gavin Perkins - Leo Bossaert</i>	Room 1
Compression only CPR <i>Tony Handley (UK)</i>	
Dispatcher CPR <i>Maaret Castrén (Sweden)</i>	
Chest compressions <i>Koen Monsieurs (Belgium)</i>	
Q & A - Discussion	

Joint session with ESICM - Tutorial: Post resuscitation care <i>Bernd W. Böttiger - Alain Cariou</i>	Room 2
How I cool patients after cardiac arrest <i>Hans Friberg (Sweden)</i>	
Prognostication - how I do it <i>Tobias Cronberg (Sweden)</i>	
How I decide to take a patient for a PCI <i>Alain Cariou (France)</i>	
Q & A - Discussion	

Improving team performance <i>Elizabeth Norris - Anne Lippert</i>	Room 3
We all work in teams, so what is the problem with its performance? <i>Franziska Tschan (Switzerland)</i>	
What can the ERC learn from full-scale simulation to improve team performance? <i>Anne Lippert (Denmark)</i>	
What can the ERC learn from the ETC approach to improve team performance? <i>Monika Grünfeld (Slovenia)</i>	
Q & A - Discussion	

HANDS ON: Airway management <i>- Carsten Lott</i>	Room 4
--	--------

09.00-10.30

Free paper session 2

Santi Mintegi - Pascal Cassan

Room 5

AS07

AS08

AS09

AS10

AS11

AS12

Coffee break
10.30 - 11.00**11.00-12.30**

Guidelines 2015: Hot topics Paediatrics

- Patrick Van de Voorde

Room 1

Bystander and phone CPR
*Katarina Bohm (Sweden)*Compression only CPR
Dominique Biarent (Belgium)

Post resuscitation care

Q & A - Discussion

11.00-12.30

Improving CPR Quality

Judith Finn - John Ballance

Room 2

Pro: CPR feedback devices
*Ian Jacobs (Australia)*Con: CPR feedback devices
*Gavin Perkins (UK)*Pro/Con: Train the individual
*Koen Monsieurs (Belgium)*Pro-con: Train the system
Richard Lyon (UK)

Q & A - Discussion

Education session - Why is it so hard ...

Keith Couper - Elizabeth Norris

Room 3

to perform effective CPR
*Tony Handley (UK)*to retain CPR competencies
*Andy Lockey (UK)*to teach the entire community
Freddy Lippert (Denmark)

Q & A - Discussion

HANDS ON: Feedback devices

Robert Greif - Nicolas Mpotos

Room 4

11.00-12.30

Integrated post resuscitation care

Hildigunnur Svavarsdottir - Joost Bierens

Room 5

Prehospital approaches
*Maaret Castrén (Sweden)*Initial hospital management
Marko Noč (Slovenia)

How to manage in intensive care

Q & A - Discussion

Lunch break

12:30 - 14:00

Room 1: Resuscitation Academy
Room 2: National Resuscitation Council Meeting**14.00-15.30**

Guidelines 2015: Hot topics Education

Robert Greif - Judith Finn

Room 1

The ILCOR task force view on the hot educational topics
*Farhan Bhanji (Canada)*How does ILCOR reach consensus on science
*Andy Lockey (UK)*Evidence-based CPR-teaching strategies or simple believes?
Robert Greif (Switzerland)

Q & A - Discussion

Guidelines 2015: Hot topics -Devices

Ian Jacobs - Sten Rubertsson

Room 2

Should we use mechanical CPR?
Laurie Morrison (Canada)

Impedance Threshold device

New innovations with mechanical CPR
Sten Rubertsson (Sweden)

Q & A - Discussion

14.00-15.30

European Restart a Heart Day

Marios Georgiou -

Room 3

National councils to present their actions for the
European Restart a Heart Day 2013 and 2014.

HANDS ON: Telemedicine/telephone CPR

Charles Deakin - Freddy Lippert

Room 4

Rapid response systems

Silvija Hunyadi-Antičević -

Room 5

Implementation
*Mike Parr (Australia)*Risk Stratification
*TBA*Effectiveness
Claudio Sandroni (Italy)

Q & A - Discussion

Coffee break
15.30 - 16.00

16.00-17.30

Guidelines 2015: Hot topics - drugs <i>Ian Jacobs -</i>	Room 1
What is the role of adrenaline in cardiac arrest? <i>Jerry Nolan (UK)</i>	
Anti-arrhythmic drugs in cardiac arrest <i>Laurie Morrison (Canada)</i>	
Vasodilators and beta blockers in cardiac arrest <i>Theodoros Xanthos (Greece)</i>	
Q & A - Discussion	

Tutorial: The chain of survival in action <i>Hildigunnur Svavarsdottir - Richard Lyon</i>	Room 2
How to use registries to strengthen the chain of survival <i>Jan Thorsten Gräsner (Germany)</i>	
How I improved outcomes from cardiac arrest <i>Freddy Lippert (Denmark)</i>	
How to improve the effectiveness of PAD <i>Violetta Raffay (Serbia)</i>	
Q & A - Discussion	

Joint session with EuSEM Paediatric session: Everything you want to know but were afraid to ask <i>Patrick Van de Voorde - Dominique Biarent</i>	Room 3
How to deliver drugs without an IV line <i>Patrick Van de Voorde (Belgium)</i>	
How to participate in global paediatric emergency medicine research <i>Santi Mintegi (Spain)</i>	
How to train team leadership during mock codes <i>Farhan Bhanji (Canada)</i>	
Q & A - Discussion	

HANDS ON: Educator session <i>Robert Greif - Andy Lockey</i>	Room 4
---	--------

Resuscitation in special circumstances <i>Monika Grünfeld - Marios Georgiou</i>	Room 5
Drowning <i>Joost Bierens (Netherlands)</i>	
Anaphylaxis	
Hypothermia	
Q & A - Discussion	

09.00-10.30

Guidelines 2015: Hot topics First Aid	David Zideman - Violetta Raffay	Room 1
Spinal immobilisation <i>Emmy De Buck (Belgium)</i>		
Aspirin chest pain <i>Tom Evans (UK)</i>		
Stroke Recognition <i>Pascal Cassan (France)</i>		
Q & A - Discussion		

Best of the Best Abstracts	Bernd W. Böttiger - Jan Bahr	Room 2
Judges: Alain Cariou, Mike Parr		
AS01		
AS02		
AS03		
AS04		
AS05		
AS06		

CPR COMPETITION FINALS	Room 3
------------------------	--------

09.00-10.30

Whats new in defibrillation?	John Ballance - Keith Couper	Room 4
Defibrillation: hands on or hands off?		
Predicting defibrillation success <i>Guisepe Ristagno (Italy)</i>		
Refrillation: is it a problem? <i>Rudy Koster (The Netherlands)</i>		
Q & A - Discussion		

Free paper session 3	Room 5
AS19	
AS20	
AS21	
AS22	
AS23	
AS24	

Coffee break 10.30 - 11.00

11.00-12.30

Joint session with ESC/ACCA - Guidelines 2015: Hot topics ACS

Leo Bossaert - Nikolaos Nikolaou

Room 1

Pre-hospital ECG
*Anatolij Truhlar (Czech Republic)*Pre-hospital fibrinolysis and PCI
*Alain Cariou (France)*MONA
Nikolaos Nikolaou (Greece)

Q & A - Discussion

Young Investigator

Gavin Perkins - Nicolas Mpotos

Room 2

CPR COMPETITION FINALS

Room 3

Free paper session 4

Antonio Caballero - Hildigunnur Svavarsdottir

Room 4

AS19

AS20

AS21

AS22

AS23

AS24

Tutorial : Paediatrics

Antonio Rodríguez Núñez - David Zideman

Room 5

When I consider ECMO
*Farhan Bhanji (Canada)*How I use biomarkers to predict outcome
*Corsino Rey (Spain)*Prognostication
Dominique Biarent (Belgium)

Q & A - Discussion

Lunch break

12:30 - 14:00

Room 1: Celebrating European Restart a Heart day
Room 2: ERC clinical trials ERC clinical trials network meeting

14.00-15.30

Guidelines 2015: Hot topics implementation

Judith Finn - Silvija Hunyadi-Antičević

Room 1

What does ILCOR expect from the resuscitation councils?
Koen Monsieurs (Belgium)

Why not a politically top down legislation?
Marios Georgiou (Cyprus)

Implementation of guidelines to laypersons
David Zideman (UK)

Q & A - Discussion

Systems approach to saving lives

Jan Thorsten Gräsner - Jesus Lopez-Herce

Room 2

The European-Latin-American registry and increasing survival
Jesus Lopez-Herce (Spain)

Use of social media to improve cardiac arrest recognition
Theodoros Xanthos (Greece)

European restart a heart day initiatives - are they worthwhile?
Guiseppe Ristagno (Italy)

Q & A - Discussion

Joint session with ESA - Trauma

Bernd W. Böttiger - Richard Lyon

Room 3

Coagulopathy of trauma
Mike Parr (Australia)

The European Trauma Course
Carsten Lott (Germany)

Multiple victims: Santiago de Compostela train crash
Jose Antonio Iglesias Vazquez (Spain)

Q & A - Discussion

14.00-15.30

HANDS ON: Drug delivery in children

Patrick Van de Voorde -

Room 4

Tutorial: Recovering from cardiac arrest

Room 5

What can the cardiologist do?
Rudy Koster (The Netherlands)

What can the neurologist offer?
Tobias Cronberg (Sweden)

How can rehabilitation help?
Veronique Moulaert (The Netherlands)

Q & A - Discussion

15.30-16.30

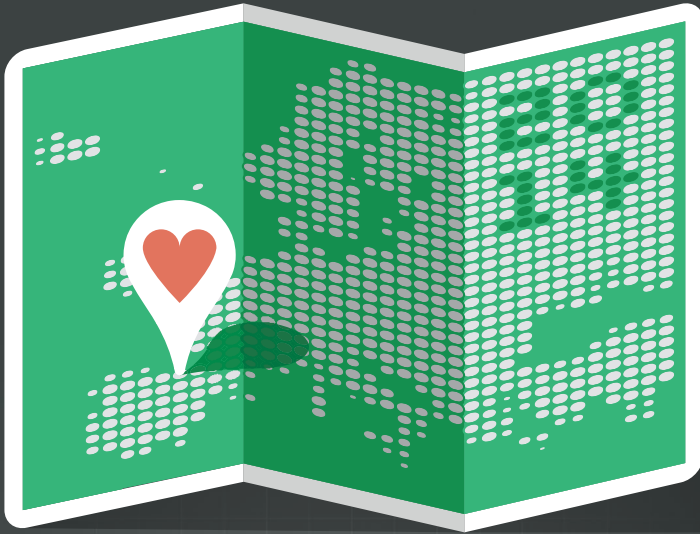

Closing Session

Room 1

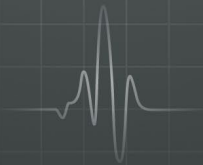

Presentation of the new Honorary members and Citations

Presentation of the new Fellows of the ERC

Presentation Resuscitation 2015 in Prague, Czech Republic
